

# Lennon 01

This linear design has been formulated to maximise northerly aspects and cross-flow ventilation, making it perfectly suited to a narrow site. The living zone connects with the outdoor deck to create a harmonious indoor and outdoor living space that appears much larger than its footprint. Lennon is the perfect design for a relaxing beach retreat or functional, medium sized, family home.

Size: 56 (m<sup>2</sup>)

Dimensions: 4.2 x 13.1 (m)

Rooms: bedroom  
bathroom  
Euro laundry
