

Lennon 04

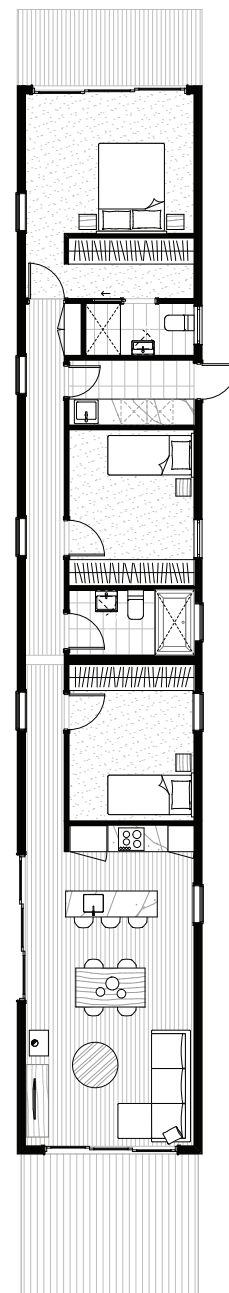

This linear design has been formulated to maximise northerly aspects and cross-flow ventilation, making it perfectly suited to a narrow site. The living zone connects with the outdoor deck to create a harmonious indoor and outdoor living space that appears much larger than its footprint. Lennon is the perfect design for a relaxing beach retreat or functional, medium sized, family home.

Size: 103 (m2)

Dimensions: 4.2 x 24.7 (m)

Rooms: 3 bedrooms
2 bathrooms
living area
